## Jane Zhou

General Manager

Jane founded GOLDMOON in 2010 and served as a chief Executive Officer/Director with overall responsibility for strategic development and execution of the company.

After graduating from university, Jane has been engaged in the hardware industry for 20 years and has single-handedly established the GOLDMOON and BeHappy brand. And she's building her own industrial park.

Jane has accumulated mature experience in market expansion and new product development. Under her leadership, GOLDMOON has successfully cooperated with a number of world famous hardware tool vendors, making GOLDMOON one of the most popular suppliers for importers in the hardware industry.

# Circular Saw Blade for Wood
